## Common questions

### Modifying a reservation as a Host

Life happens, and sometimes you just can't host as planned. Past reservations can't be changed, but to edit a confirmed or active one, send your guest a trip change request proposing your new dates, price, or number of guests. You can even suggest they stay in a different place, if you have more than one.

### Host Cancellation Policy

Effective Date: August 22, 2022
