## Common questions

### Modifying a reservation as a Host

Life happens, and sometimes you just can't host as planned. Past reservations can't be changed, but to edit a confirmed or active one, send your guest a trip change request proposing your new dates, price, or number of guests. You can even suggest they stay in a different place, if you have more than one.

---

### Host penalties for canceling reservations

Cancellations mess with guests' plans and can reduce confidence in our community, so as a Host you should do your best to fulfill all confirmed reservations. If something has come up and you simply can't fulfill a reservation for any reason, it's your responsibility (and not your guest's) to cancel as quickly as possible to allow your guest time to make new plans. There are certain limited circumstances where there are no adverse consequences to canceling.

### When you'll get your payout

Here's the good news: Your money is coming! But when will you get it?
